Description

****BEING SOLD VIA SECURE SALE ONLINE BIDDING. Terms & Conditions apply. - STARTING BID £32,000****

This mid-terraced property, situated in a pleasant cul-de-sac position within Bridge Gardens, presents an excellent opportunity for investors and developers seeking a full refurbishment project.

Offered for sale by auction, the property has been little altered in recent years and now requires a comprehensive scheme of modernisation and reconfiguration. Notably, there is currently no bathroom within the property, and purchasers will need to redesign the internal layout to accommodate modern living requirements.

The existing accommodation briefly comprises a living room, sitting room, and kitchen and outside WC to the ground floor, with three bedrooms to the first floor. A small adjoining space off the principal bedroom offers clear potential to be converted into an en-suite, subject to the necessary works.

Importantly, the property benefits from a recently installed new roof, providing a solid starting point for redevelopment.

Externally, the property enjoys a quiet cul-de-sac setting, offering a more tucked-away position whilst still being conveniently located for local amenities and transport links.

An ideal project for those looking to add value, this property offers significant potential to be transformed into a well-proportioned family home or investment opportunity.
