Description

Occupying a pleasant cul-de-sac location on a popular development, and having recently undergone an extensive refurbishment, this ground-floor one-bedroom flat truly must be seen to be appreciated. The transformation has completely reimagined the interior, creating a stylish, modern open-plan lounge and kitchen, along with a refitted bedroom and bathroom. The proximity to the Queen Elizabeth hospital, bus routes and access to road links opens it to a wider market from professionals to first time buyers. The property benefits from UPVC double glazing with colonial shutters to many windows, a recently installed combi boiler heating system, a foldaway dining table, and integrated kitchen appliances.

The accommodation includes an entrance lobby, open-plan lounge and kitchen, bedroom, and bathroom. Externally there is an open plan lawned garden to the front and side. Further parking is available to the side of the property.

In order to see the quality of the finish and what sets it apart from other flats, we strongly recommend an internal inspection.

Please note that the owner has informed us that he is in the process of extending the lease to 155 years
