Description

Built in the late 20th century and enviably positioned in a prestigious North Leamington Spa setting, Oakfield House is a well-regarded retirement development exclusively for residents aged 60 and over. The building is ideally placed for convenient access to the town centre, while also offering beautifully maintained communal gardens, a residents' lounge, guest suite, and communal parking.

This well-presented second-floor apartment is offered for sale with no onward chain and provides comfortable, low-maintenance living with both lift and stair access.

A welcoming communal entrance hall leads to the apartment. Inside, the accommodation comprises a central hallway connecting all rooms. At the heart of the home lies a bright reception room with space for both sitting and dining, and large double-glazed windows framing views across the communal gardens.

A neatly presented kitchen adjoins the reception space, fitted with a range of cabinets and work surfaces, while the spacious double bedroom offers ample room for furnishings. Completing the accommodation is a modern shower room.

Externally, the development enjoys attractive south-facing communal gardens, thoughtfully landscaped and maintained to a high standard. Residents also benefit from communal parking along with a warm and friendly community environment fostered by Oakfield House's shared facilities.

For sale through Pattinson Auction under Conditional Terms.
