Situated on Albert Street, Stapleford, this well-positioned three-bedroom terraced home offers generous living space, a beautifully established garden and exceptional convenience, all just a short walk from the town centre and its wide range of amenities.

From the moment you arrive, the property impresses with a large double driveway, providing valuable off-street parking. Step inside and you'll find a home that offers fantastic potential, with spacious rooms and a flexible layout that would suit a variety of buyers, from first-time buyers and growing families to those looking to put their own stamp on a property and investors looking for a fantastic rental opportunity

To the rear of the home is a wonderful conservatory/sun room, creating an additional living space that can be enjoyed throughout the year. Whether used as a dining area, reading room or simply a place to relax overlooking the garden, it adds a real sense of space to the property. Outside, the well-established rear garden is a particular highlight, filled with beautiful mature planting, including stunning roses that bring colour and character throughout the seasons. At the bottom of the garden sits a separate garden room, offering excellent versatility as a home office, hobby space, gym or simply somewhere peaceful to unwind.

Upstairs, the property offers three bedrooms, including two good-sized doubles and a generous single bedroom, making it ideal for families, guests or those working from home. The home is also served by a large downstairs shower room, providing practicality and convenience.

While the property would benefit from some cosmetic updating, it presents a fantastic opportunity for buyers to create a home tailored to their own tastes while benefiting from the space, garden and location already on offer.

The location is another major advantage. Stapleford continues to be a popular choice thanks to its excellent range of shops, cafés, supermarkets and everyday amenities. There are good transport links nearby, including easy access to Nottingham, Derby, the A52 and M1, making it a great option for commuters.
