Description

Windsor Street is a unique, large corner property located in a desirable area of Colne, Lancashire.

The seller has previously used the property as a 4 bedroom HMO with a gross annual income of £31,200 (full occupancy)

The boiler is 3 years old and there have been ongoing upgrades in the past four years.

There is a large u-shaped garden, terrace and patio area externally, as well as lots of space internally as well as space for parking and easy access to all local amenities, M65 motorway and more.

The vendor advises some external pointing and internal odd jobs are required (pictures show all), nothing more than basic maintenance and improvements are required - the necessary works are reflected in the price.

We have been informed by the seller a RICS valuation valued the property at £145,000 in 2023, and similar homes are selling for way above that in the area.
